Projects

CodeNotes – Developer-Focused Blogging Platform:

[Source Code](#)

- Directed a full-stack blogging platform tailored for developers, enabling seamless writing, publishing, and discovery of technical content.
- Built a modern UI with **React** and **Tailwind CSS**, reducing page load time and boosting user engagement.
- Engineered a scalable backend using **PostgreSQL** and **Prisma ORM**, supporting with type-safe, high-performance queries.
- Implemented **JWT authentication** and protected routes, securing **100%** of user data while reducing unauthorized access attempts by **more than 95%**.
- Deployed the platform using **Cloudflare Workers** and **Wrangler CLI**, ensuring fast, reliable, and global access.

CloudIT – Cloud-Based File Sharing Application:

[Source Code](#)

- Built a scalable cloud-based file-sharing platform enabling secure uploads, link-based sharing, and efficient file management, designed for **high availability** using JWT authentication and Cloudinary integration.
- Optimized backend APIs with Node.js and Express.js, achieving around **35% faster local file transfer speeds** through stream-based uploads and middleware optimization, with data protection via **Bcrypt encryption**.
- Technologies: **React.js**, **Node.js**, **Express.js**, **Tailwind CSS**, **JavaScript**, **JWT**, **Bcrypt**, **Cloudinary**.

Portfolio Website:

[Source Code](#)

- Designed a responsive personal portfolio website to showcase projects and skills, enhancing professional presentation.
- Implemented smooth navigation and modern UI/UX using **React**, **TypeScript**, **React Router Dom**, and **Tailwind CSS**, improving user engagement .

Skills

- Languages:** C++, Python, JavaScript, TypeScript, HTML
- Frameworks & Libraries:** Node.js, Express.js, ReactJS, Tailwind CSS, NumPy, Pandas
- Tools/Platforms:** Docker, Postman, GitHub, MongoDB, PostgreSQL
- Relevant Coursework:** Data Structures, Computer Networks, Operating Systems, Object-Oriented Programming, Database Management Systems, Machine Learning

Competitions & Achievements

- Solved **700+** **DSA problems** on **LeetCode** and **Codeforces**, achieving a LeetCode max rating of **1545**.
- Rated **1431(max rating)** on CodeChef, achieving a global rank of **1201** in **STARTERS 197**. [[CodeChef Profile](#)]
- Secured **3rd place** in the **IEEE Megaproject Hackathon**, demonstrating strong real-world problem-solving and teamwork.
- Secured a global rank of **2907** in a **LeetCode Biweekly Contest** among **22,000+** participants.
- Secured a global rank of **5947** in a **Codeforces Div. 2** contest among **28,000+** participants.

Honours and Awards

- Secured **State Rank 09** in the prestigious **National Talent Search Examination (NTSE)**.
- Achieved **All India Rank 03** ,in Abacus Prodigy Competition , declared **State Champion** and **City Topper** among **10K+** students nationwide.
- Secured **All India Rank under 50** in a **National-level Painting Contest** organized by **HDFC**.

Position of Responsibility

- Executive Member — IET BIT Mesra:** Organized technical events at **Pantheon'25** and mentored **100+** students.
- Senior Executive Member — IEEE BIT Mesra:** Conducted a **DSA workshop for 200+** students, introducing competitive programming and data structures fundamentals.
